A sanitary sink

The kitchen sink is the hardest place in the house to keep sanitary and free from bad odors. The use of a little Carbonol from time to time will do wonders.

Carbonol is a powerful disinfectant. It is always used in solution and a little of it goes a long way.

Pour a little Carbonol in the sink and scrub it around with water to remove grease. Pour some Carbonol down the trap and if the trap is clogged with grease the Carbon) will dissolve the grease and clear it

Reeps Your Liver Healthily Active Cleanses Your System Thoroughly.

A man in Kentucky just told a friend that Poley Cathartic Tablets were the most wonderful medicine that had ever entered his system. Said he would not be without them. Neither would you, if you had ever tried them for chronic constipation or for an occasional purge. Better for you than calomel. Keeps your liver active. Stout people can't find anything to equal them for comfort. C. C. Bingham. adv.

"Gets-It" Being Used by Millions! It is the first time that a real, sure-as-fate corn cure has ever been discovered. 'GETS-IT' is the new corn-ender, based on an

formula, never successfully imitated. It makes corns shrivel and then vanish. Two drops do the work. You don't bundle up your toe any more with sticky tape and plasters that press down on the poor corano more fiesh-eating salves that don't "stay put," no more hacking at corns with knives or razors, no more bleeding or danger of blood poison. No more limping around for days with sore corns, no more corn pains. corn pains.

"GETS-IT" is now the biggest-selling corn cure in the world. Use it on any hard or soft corn, wart, callus or bunion. Tonight's
